Dear Solveig,

Thank you so much for your generous gift of \$3,000.00 to Shepherd's Canyon Retreat Ministry! YOU are making a difference in the lives of pastors, ministry leaders and spouses!

**Here are comments from some of the pastors, ministry leaders, & spouses who benefited from your gift.**

*"Dear Donors, Thank you so very much for sponsoring the most significant and renewing retreat my wife of 14 years and I have attended. I have served as volunteer chaplain for a small church since 2019 and came to discern with my wife whether to continue or not in this ministry at age 75. The SC retreat gave me a deep sense of renewal that I, with my wife, have decided to continue my voluntary service as chaplain. This conclusion honestly surprised me as my wife and I, before we arrived, thought it was time to stop serving. And, on the retreat my wife and I together came to the opposite conclusion. Thank you so much for your support of this most valuable retreat program. With gratitude, Volunteer Chaplain & My Wife"*

*"For a variety of reasons, after this summer, I hit a wall. To be honest, I probably hit it awhile ago, but decided it would be a good idea to just keep beating my head and heart against it rather than to reach out for help. However, I finally reached out for help, and a friend...suggested I reach out to this...place called Shepherd's Canyon Retreat. It sounded vaguely familiar...I knew about it - but didn't know - and certainly did not think I could possibly ever be a person who needed help (I like to call this a 20 year delusion)...Now I know...it is, in fact, a life-giving, healing experience available to people in ministry to find respite, renewal and to receive a week of focused counseling care."*

**Thank you for your financial and prayerful support!**

Hope you have a joyous Advent and Christmas season!!!
